DENBURY EXHIBIT NO.	DOCUMENT DESCRIPTION
1	Pre-filed Direct Testimony of Robert Sutherland
2	Resume of Robert Sutherland
3	WDW410 Well Log
4	Pre-filed Direct Testimony of James W. Fairchild, P.E.
5	Resume of James W. Fairchild, P.E.
6	Plot created by James W. Fairchild from Greg Casey's simulation
7	Plot of the results of Mr. Fairchild's simulation in comparison to Mr. Casey's model results
8	Mr. Fairchild's simulation using analytical aquifer
9	Plot prepared by Mr. Fairchild showing grid and structure
10	Plot of Mr. Fairchild's simulation showing his simulated bottom hole pressure response at the well bore as a function of time

11	Plot of maximum change in pressure from the wellbore for the life of TexCom's proposed facility
12	Plot of simulated pressure increase
13	Pre-filed Direct Testimony of Jon Philip Herber
14	Resume of Jon Philip Herber
15	WDW410 Well Log
16	Correlation of Well Logs
17	Geomap provided to Mr. Fairchild
18	Pre-filed Direct Testimony of Mark Swadener
19	Resume of Mark Swadener
20	Conroe Field Map – CO2 Injection – 1st and 2 nd Sands
21	Conroe Field Map – CO2 Injection – 3 rd and 4 th Sands
